## Internship Completion Report:

Name: Priyanka Makar Pari

Duration: 25<sup>th</sup> January 2025 to February 28<sup>th</sup> 2025

Sector: Varsha Pharmaceuticals

Role: Computer Operator

Place: 1423/A, 1424/A, Ground Floor Baswan Galli  
Belagavi - 590001

### Work Responsibilities:

During my one month of internship at Varsha Pharmaceuticals, I was responsible for working on the computer like,

checking whether the medicines or tablets are available or not.

Advising the customers about the medicines like benefits, how to consume, when to consume, the routine of eating tablets as my boss said to me.

Also doing the billing of the tablets on the computer.

Also recording the tablet name and customer name on the register book as it was reputed medical store

## Experience and Learning:

This internship helped me to improve my medical knowledge and how to communicate with customers in polite way, starting they provided training approximately for one week. At the beginning I was feeling very nervous but my sir was very friendly and helped me to gain my confidence. My colleagues were also free to speak with me.

However, this experience enhanced my professional skills and motivated me. I am very grateful to Vansha pharmaceuticals for their support and guidance.
